Dear Parent/Carer

Year 11 Raising Attainment Evening – Thursday 10 October 2019

I am pleased to invite you to an important evening that has been arranged to support the progress and attainment of your child.

As you will be aware, Year 11 is a crucial year for any student; the results achieved in their GCSE examinations this academic year will determine your child's next steps as well as their future life chances.

At Southchurch High School, our focus is on improvement and our priority is to support and motivate your child to work hard and fulfil their academic potential. Therefore, we are implementing a full programme of support for all of the Year 11 students. In addition to this, we recognise that family support and engagement can have a huge impact upon the success of our students; therefore, we would ask you to support your child by attending the Year 11 Raising Attainment Evening, which is being held on **Thursday, 10 October 2019**.

I would ask that you make every effort to attend this evening together with your child; it could make a significant impact upon your child's future. The evening will prove instrumental in allowing us to work in partnership with you and your child to drive forward their academic progress.

The evening will begin promptly at 6:00pm in the multi-use area, where a team of key staff will deliver talks and vital information about this year. All students and parents will then be invited to attend a carousel with the Head of English, Mathematics and Science delivering presentations which will offer key information regarding the upcoming GCSE examinations in each of the subjects and specifically how to prepare for these. There will also be an opportunity for you to speak to staff individually and raise any questions and concerns you might have regarding your child's progress. The evening is expected to finish no later than 7:30pm.

Please return attached the reply slip to inform us if you are able to attend the evening by **Monday, 07 October 2019**.

I very much hope you will be able to attend and look forward to meeting you at the Year 11 Raising Attainment Evening on Thursday 10 October 2019. Many previous students and their parents/carers have informed us that they found this event to be very useful and informative.

Yours faithfully

Miss C Connolly
Head of Year 11

Please return to Mrs Clark in the Main Office
Year 11 Raising Attainment Evening – Thursday 10 October 2019
