

Design & Technology - Homework

Year 7 Homework - Use look cover write check to learn the relevant sections from the Knowledge Organiser to be tested in class. Use www.Quizlet.com to help with revision search MrGrover8 to find quizzes						
1		2	3	4	5	6
	Design Brief, Analysis and Market Research	Technology Push/Market Pull	Tools	Working Properties	Thermoforming Polymers	
7F1	Due week beginning 2 nd March 2020	Due week beginning 9 th March 2020	Due week beginning 16 th March 2020	Due week beginning 23 rd March 2020	Due week beginning 30 th March 2020	
7F2						
7U1						
Year 8 Homework - Use look cover write check to learn the relevant sections from the Knowledge Organiser to be tested in class. Use www.Quizlet.com to help with revision search MrGrover8 to find quizzes						
1		2	3	4	5	6
	Design Brief, Analysis and Market Research	Soldering & Electronic Current & Voltage	Electronic Systems – Standard components	Resistors	Thermoforming Polymers	
8F1	Due week beginning 2 nd March 2020	Due week beginning 9 th March 2020	Due week beginning 16 th March 2020	Due week beginning 23 rd March 2020	Due week beginning 30 th March 2020	
8F2						
8F3						
Year 9 – Product Design						
Use look cover write check to learn the relevant sections from the Knowledge Organiser to be tested in class. Use www.Quizlet.com to help with revision search MrGrover8 to find quizzes						
1		2	3	4	5	6
9C	Design Brief, Analysis and Market Research Due 5th March 2020	Processes Due 12th March 2020	Motion & Mechanical Devices Due 19th March 2020	Scales of Production Due 26th March 2020	Metals Stock Forms Due 2th April 2020	Metals Due 23 rd April 2020
Year 9 – Construction – will be set in class see board for updates						
9A	Due week beginning 2 nd March 2020	Due week beginning 9 th March 2020	Due week beginning 16 th March 2020	Due week beginning 23 rd March 2020	Due week beginning 30 th March 2020	
Year 10						
Use look cover write check to learn the relevant sections from the Knowledge Organiser to be tested in class						
10B	6R’s ergonomics & anthropometrics Due 3rd March 2020	Crowd Funding Due 10th March 2020	Manufacturing Due 17th March 2020	Smart Materials Due 24th March 2020	Thermosetting Polymers Due 31st March 2020	

Year 11						
	1	2	3	4	5	6
	Exam Question Due week beginning 2nd March 2020	Exam Question Due week beginning 9th March 2020	Exam Question Due week beginning 16th March 2020	Exam Question Due week beginning 23rd March 2020	Exam Question Due week beginning 30th March 2020
