11 September 2020

Weekly newsletter - No 02

All of our students have now been back at school for a full week and have settled into following the new procedures very well.

Just a reminder, please telephone the school if you wish to speak to someone regarding your child as we cannot accept any visitors into school at this time. Parents will not be permitted unless they have a pre-arranged appointment. If you do have an appointment booked, please ensure you wear a face covering when entering the building.

**Drop Everything And Read** starts again in school on Monday 14 September. All students in year 7 and 8 should have a reading book with them.

Some students will be reading independently and some with their teachers.

So many people increased their love for reading during lockdown and we are excited to start reading again in school!

## MOBILE PHONES

Please remind your child that mobile phones must not be used in school. If a student needs to call home for any reason they must go to student services. Phones will be confiscated if this is not adhered to.

## Year 7

We have had a great start to the year and on the whole students are settling and enjoying their first weeks of secondary school life. This term will present your child with many challenges as they adapt to having new journeys, new teachers, new subjects, more homework and new friends to make.

I look forward to working with you this year, helping your child to settle into school, guiding students through a successful year and ensuring that they achieve the best possible results.

The students will be participating in 'Drop Everything and Read', so they will need to have a reading book with them every day.

Thank you in advance for your support

Mrs Miller, Head of year 7
