## School Admissions: Applications for Overseas Children

In most cases, children arriving from overseas have the right to attend schools in England. It is the responsibility of Parents/Carers to check that their children have a right under their visa entry conditions, to study at a school.

To help Parents/Carers we would recommend that those wishing to apply for a State Funded School should check that they have a right of abode or the conditions of their visas otherwise permit them to access a State Funded school.

Foreign Nationals cannot use the six month visitor visa or a six month short-term study visa to enter the UK to enrol as a student at a school. Find out what these visas can be used for on the visitor visa and short term study visa pages, please visit the Department for Education website at [www.gov.uk](http://www.gov.uk).

You need to self-isolate in the place you are staying for the first 14 days after you arrive in the UK, unless you have only visited an exempt country, territory or region. This is because of coronavirus (COVID-19).
