

SRE/lt

July 2021

Dear student / parent/carer

**GCSE Results Day: Thursday 12 August 2021**

GCSE results slips will be ready for collection from school, between 09:00 and 11:00am, on Thursday 12 August 2021.

If you are unable to collect your results slip in person, you may nominate someone else to do this for you. Please email Ms Atkinson to inform her if someone else will be collecting your results on your behalf. She will need to know the name of the person and their relationship with you.

Due to maintenance work being carried out, entry to the main school building is not possible, therefore results slips can be collected from the Sports Hall. You will need to enter the Sports Hall via the external side door close to the car park.

Any slips not collected on the day will not be mailed out, unless you have supplied the school with a stamped, self-addressed envelope.

The official A4 certificates from the Examination Boards will not arrive in school until 31 October 2021. Please arrange to collect certificates from Reception after this date.

If you require further information please contact the Examinations Officer, Mrs Harrod or your Head of Year, Ms Atkinson.

Yours faithfully

Stuart Reynolds  
**Headteacher**
