

Thorpe Bay Lawn Tennis Tournament winner

The under 14 boy's tennis tournament at Thorpe Bay Lawn Tennis Club has been competed for since the 1960's and this year was played on Monday 12th July, 2021. The tournament featured competitors from all over our region and included players that had represented our county in other prestigious tournaments. Adam Morley, a year 8 student at our school, took on these very accomplished players along side his brand new partner. Together they battled and progressed through the Quarter finals, fighting and demonstrating their resilience and they made it through to the Semi-finals. For relatively inexperienced players that had never competed in a tournament together this would have been great achievement but through their effort and determination to succeed they made it to the Final where they won convincingly: 6-7, 7-6 and 10-4.
