Dear Parent/Carer

Induction Day for Year 6 Students – Friday 1 July 2022

Congratulations on being offered Southchurch High School as your child's secondary school. We look forward to welcoming you and your child into our learning community from September 2022.

We believe that children deserve an excellent education and the support and nurture to enable them to become a respectful and confident young person. Working in partnership with parents and carers, our staff are dedicated to ensuring that students acquire the skills and qualifications necessary to make a positive contribution to society and to secure them a bright and productive future.

In order to make the transition into secondary school easier we are holding an Induction Day on:

Friday 1 July 2022

The Year 6 Induction Day for students starting at Southchurch High School in September will take place on Friday, 1 July, 2022. This is an opportunity for the students to meet with their peers, together with members of staff. They will also be able to familiarise themselves with both the learning environment and our high expectations. All students who will join us in Year 7 in September 2022 are expected to attend the Induction Day.

During the Induction Day the students will engage in workshops and interactive sessions exploring the Year 7 curriculum which promotes positive behaviour for learning and progress. There will be a strong emphasis on team-building and the Induction Day will help to alleviate any worries the children may have about moving up to secondary school.

The Induction Day on Friday, 1 July will begin at 9:30 am and will finish at 2.30 pm. Students will need to wear their primary school uniform and will also need to bring suitable clothing to take part in physical activities. Please could you provide your child with a drink (which should **not** be fizzy), a hat and ensure that they have sun protection on in case of hot weather. Any medication, clearly labelled with your child's name, that they may need to take on the day should be handed in to staff at the start of the day and will be handed back to your child at 2.30 pm. Lunch will be provided and we would be grateful if you could advise us in advance of any dietary requirements your child may have. Your child must be collected from the school gate at the end of the Induction Day at 2.30 pm.

If you have any questions or concerns regarding any of the above please do not hesitate to contact Mr Maher, Assistant Headteacher.

We look forward to welcoming the children to Southchurch High School on Friday, 1 July, 2022 for their Induction Day.

Yours faithfully

Mr S C Reynolds
Headteacher
