### AO2: Language Analysis

For each of the poems watch the Mr Bruff video to supplement your existing notes and MITSLS sheets. Then select 3 language quotes for each poem and close read them using the 4 points of analysis table to ensure that you are analysing fully. Ensure you have several bullet points of notes for each aspect of analysis. An example has been given for you:

#### 'Before you were mine'

##### AO2: Author Intent

##### Evidence from Text:

"till I see you, clear as scent, under the tree"

##### AO2: Effect on the Reader

The simile 'clear as scent' tells us that this is such a vivid memory for the author, she thinks of it often. Her imagination is so powerful that she can smell her mother.

The reader would feel warmed by this comparison as it emphasises the clear love the author has for their mother.
