Dear Parent/Carer

Re: Year 9 Options Evening

We would like to invite you to the Year 9 Options Evening on **Thursday, 2 March, 2023 from 4.30 to 7.00 pm**.

As you will be aware, the Year 9 students will shortly be choosing their Key Stage 4 curriculum preferences. This is an exciting and important chapter for Year 9 students and we are enjoying the conversations we are having with the students regarding their future plans and possible career choices.

The evening will include talks from Subject Leaders about the different subject preferences available to Year 9 students. Mrs Airoll, Interim Headteacher, will begin the evening by welcoming students and their parents. Mr Dunn, Assistant Headteacher, will present the different pathways and choices available to students, following by Miss Stockman, Head of Year 9, who will explain the structure of the evening.

Each student and their parent(s)/carer(s) will be assigned a number in order to make their way to each subject preference for a 7 minute presentation.

Information will be provided at each subject presentation regarding the subject's GCSE curriculum. Towards the end of the evening there will be an opportunity to ask questions followed by refreshments ie chicken burger or vegan bean burger and chips.
