The screenshot shows the MathsWatch sign-in interface. On the left, there are instructions: "e.g. John Smith", "Username: JSmith@southchurch", "(you must replace your first initial and surname)", and "Password: student (same for all)". Arrows point from these instructions to the corresponding input fields on the sign-in page. The sign-in page has a blue header with "Sign In", a "Username" field, a "Password" field, a "Forgot Password?" link, a "View Demo" button, and a "Sign In" button. Below the sign-in fields, it says "Or sign in with..." and lists "Wonde", "Google", and "Microsoft" as options.
