Dear Parents/Carers

Re: Year 7 Booster Swimming Lessons

As part of our enrichment programme for all of our students, we would like to offer booster swimming lessons for our Year 7 students who did not meet or complete the 25 metre Gold Standard in primary school.

We would also like to extend this offer to students who may have passed the minimum standard but have not been able to gain any further swimming experience and may benefit from swimming lessons.

The course will run for six weeks and will take place on Mondays between 11.00 am and 1.00 pm at Hinguar Primary School, Shoeburyness. Students will travel to the school on our minibus and the sessions will be taught by Miss Atkinson, Teacher of PE, at Southchurch High School. Students will need to bring a swimming costume, swimming hat, goggles and a towel for the sessions.

The cost for the course of lessons is £30.00 for the six-week course. Places are limited to 15 students and the school will select those students who will participate in the swimming lessons. If your child is selected and you wish them to attend but you need financial assistance to allow them to do so, please inform the school as we may be able to help with the cost. Further details of when the course will begin will be advised in due course.

As we are a school located very close to the sea, we feel that this is an excellent opportunity for students who cannot swim or who do not feel confident in the water, to learn a valuable skill to stay safe in the water.

If you would like your child to take part in these sessions, please complete the permission slip attached and return it to the Admin Office. Please also advise us on any medical conditions of which we need to be aware. **Please do not send any payments in to the school at this stage.**

If you have any further queries, please do not hesitate to contact either myself or Miss Waite at the school on 01702 900777.

Yours faithfully

Mr D O'Leary
Pupil Premium Lead
