Dear Parents/Carers

Re: Year 9, 10 & 11 Post-16 Careers Fair on Thursday, 9 November, 2023

As a school we want every student to invest in their future and start making plans for when they leave Southchurch High School. To this end, we are pleased to invite you to our Post-16 Careers Fair on Thursday, 9 November, 2023. The event will begin at 4.30 pm and will end at approximately 6.30 pm.

The evening has been designed to help students gain a better understanding of what their options are when they leave school and to help them think about the future pathway they may wish to take. We have arranged for representatives from various local colleges, sixth forms, universities and employers to attend the Careers Fair to enable your child to gain information on courses and pathways to different careers. It is important that we start this process early to ensure that our students can feel more focused and confident in achieving their future goals.

The Post-16 Careers Fair has been arranged to support the progress and attainment of your child and I have attached a leaflet containing further information. We hope to see you on Thursday, 9 November, 2023. Refreshments will be available during the evening.

Please confirm your attendance by completing the reply slip below by Thursday, 2 November, 2023 stating the number of people who will be attending from your party.

Yours faithfully

Miss Perry
Careers Co-ordinator
