

This newsletter is a collation of all the opportunities we have heard about from employers and universities. Please use the links included to read more information and apply to anything you are interested in. Links are underlined.

OPPORTUNITIES

During this Future Forward: [Deutsche Bank Virtual Insight Evening](#), you'll hear directly from current apprentices about their experiences and day-to-day life at Deutsche Bank, and gain insider tips on how to make your application stand out. Whether you're exploring your options or ready to take your first step into the world of banking and technology, this event is your chance to learn from those who've been exactly where you are now. Taking place on Tue 2nd Dec from 5:30 - 6:30pm.

Curious about a future in Accounting and Finance? [Join this session](#) on Tue 9th Dec at 4pm as we introduce the subject, explore what it's all about and why it plays a vital role in today's world. Glimpse into life as a university student - from lectures and tutorials; how you're assessed to internships, study abroad, and future career paths.

On Wednesday 10th Dec from 5:30 - 6:30pm, join Pearson for an [interactive session](#) where you'll discover how to create a powerful personal brand and make a lasting impression online. Get insider tips from Pearson's Early Careers and Talent Team on how to strengthen your LinkedIn profile, grow your network, and showcase your skills to future employers.

Join Elis, commercial laundry services with UK-wide delivery, to understand the circular services and the principles that guide what they do. Learn about their development programmes, built to support emerging talent, foster long-term career growth and provide opportunities to those facing barriers. They'll also explain how collaboration with local organisations creates meaningful local impact, supports vulnerable people and creates opportunities. Taking place on 10th Dec from 2:00 - 3:00pm, [register here](#).

After deciding university wasn't for her, Emily, a Foundation Apprentice at Barclays, started her career journey on an Apprenticeship programme which allowed her to explore different industries (these are known as "rotations"), learn new skills and met a lot of supportive people. [Read her story here](#).

JOB OF THE WEEK

[Investment Banker](#)

As an investment banker, you'll provide a range of financial services to companies, institutions and governments. You will help them achieve financial goals and implement long and short-term plans. You'll manage corporate, strategic and financial opportunities and you may also advise and lead management buyouts, raise capital and secure new deals.

LABOUR MARKET INFORMATION FACT

"When students first enter secondary school at age 11, their top three career ambitions are sports (29%), art/music (19%), and animal care (15%). By the time they reach GCSE year (age 16), the rankings have shifted, with health (16%) taking the top spot, followed by art/music (15%) and sport dropping into third place (13%). [Source](#)

OPPORTUNITIES

Join the Financial Conduct Authority (FCA) for an exclusive virtual insight event and discover how this powerful organisation protects millions of people – and billions of pounds – across the UK. Taking place on Monday 15th December from 6:00 - 7:00pm.

Real Talk with Real Graduates – Sheffield Business School... On Tuesday 2nd December from 4:30pm, you will get a chance to speak directly with graduates who've walked the path you're considering. Whether you're exploring business programs or already planning your application, this session will help you make informed decisions with confidence.

Barclays' Apprenticeships are a rare blend of opportunity: meaningful work, professional development, a good salary, and investment in your potential – all within a globally-respected financial organisation. Whatever your experience, whatever your age, it's a firm foundation for the career you want, with support to achieve what you're capable of. If you never imagined you could find success in a world-class bank, or you never thought apprenticeships could be the start of something big, it's time to think differently.

Listen to this recording to hear more about Baillie Gifford's Investment Research programme. You'll hear from our current trainees and managers about the structure of the programme, and hear advice on the application process and training opportunities.

Interested in working in finance, specifically within the investment bank, but not sure where to start? Are you excited by supporting multiple businesses on a global level? UBS are looking for ambitious students to join our 2026 Apprenticeship Program within our Investment Bank Chief Operating Office business. Find out more.

Ever wondered what it's really like to work in accountancy? This Virtual Work Experience with Price Bailey will give you a behind-the-scenes look at one of the UK's leading accountancy and business advisory firms.

EMPLOYER SPOTLIGHT

Dear schools

Are your parents worried about how much time their teens spend online and what they're seeing? If so, they might be interested in joining our next video call for parents on 25 Nov at 16.45-17.15.

If you think they will be interested, please share the details. [Parents can join this call by clicking here.](#)

Growing up online: what every parent should know

- ✓ Online pressures on teens - boys and girls
- ✓ Social media & self-esteem
- ✓ Screen time & gaming
- ✓ Harmful content, including pornography
- ✓ How you can support

Vanessa and Darius

Parents - Book here!

The "everyone's doing it" myth

Social media makes certain behaviours - risky stunts, oversharing - look common, when they're actually rare.

Explain to your teen that what trends online isn't what most people do; it's what gets attention.

Remind them that clicks don't equal approval - they just show what's shocking or entertaining.

THE PARENTS' GUIDE TO

"Growing Up Digital"

A talk for parents on teens and online life

- ✓ How online content shapes teens
- ✓ Recognising risks and influences
- ✓ Encouraging healthy digital habits
- ✓ Building trust
